

thinQ

Top insurance company
connects thinQ to Twilio
to save 48% on toll-free

“ In our business, we have to connect with customers every time. That's why we integrated thinQ into Twilio. Now we're sending our calls over all 5 toll-free carriers and saving 48% a month on our toll-free operations. Your platform automates these savings, and gives us the tools we need to deliver maximum uptime. ”
